VOLVO PENTA

“ **BÅTLIV. NORWAY**

Probably the best canopy solution in the world and the boat has an enormously amount of accommodation on the lower deck.

“

BÅTMAGASINET. NORWAY

Homerun, a big hit for the whole family.

The boat has a very good space utilization and prioritizing on smart solutions.

The Marex 310 Sun Cruiser is this year's most exciting family boat in its class.

“ **BÅTMAGASINET. NORWAY**

The extremely smart solution makes it very easy to put up the canopy. The canopy can easily be closed by pulling out the canopy from the vertical side lockers around the cockpit like a curtain and a very large sliding sunroof over the helm and cockpit area. This extremely flexible solution makes it possible to set up the canopy system within a matter of a few seconds.

“ **MOTORBOAT & YACHTING**
GIANT KILLER. The 31ft star that is as fast as a sportsboat,
as versatile as a coupe, as solid as a trawler and better value
than any of them!

“

MOTORBOAT & YACHTING

This is a brilliant clever, but surprisingly affordable Scandinavian cruiser.
