210CC *Origin*

POWERFUL AND FUNCTIONAL

The 210 CC, the youngest of the White Shark family, brings together, in under 6 meters, all the qualities of his elders: functionality and power due to its hull whose reputation is already well established and is evidence of expertise of the brand. Able to benefit from an engine of between 115 and 175 horse power, allowing up to seven passengers a level of cruising comfort experience in complete safety. The functionality of the front deck gives way to a vast sunbathing, or dining space for the whole family.
